

LIFE SHARING ARRANGEMENTS
FIRE DRILL

Circle one: **SLEEP OR AWAKE**

A fire drill must be held at least every 3 months if the individual cannot evacuate independently, within the 2 ½ minutes, or at least every 6 months if the individual evacuates independently within the 2 ½ minutes.

Each year, 1 fire drill must be held during sleeping hours. Drills need to be held on different days of the week and at different times, as indicated in item 2 below. The monitor of the drill must complete this report and sign and date item number 10.
